

# 2023 TENNESSEE DISABILITY MEGA CONFERENCE

Empowerment | Inclusion | Self-Determination | Choice

**May 25th & 26th, 2023**

## Writing Your Own Story

2023 MegaConference

The Tennessee Disability MegaConference is Tennessee's largest disability-specific conference for individuals with disabilities, families, and professionals. The 2023 MegaConference will return to an in-person experience. People will share the latest on many topics including employment, housing, education, conservatorships and supported decision making alternatives, health care, community options, respite, mental health, and more. MegaConference is an inclusive experience for all people connected to disability. Best practices are shared and people are given the opportunity to learn more about self-advocacy, current legislation, and opportunities to make a real difference--to write their own story!
